

To all international students Important news

Many people are struggling to support themselves because of the novel coronavirus. (COVID-19)

The Japanese government has decided to pay 100,000 yen to each person to support the lives of residents in Japan.

To receive 100,000 yen, you need to complete the procedure.

The application required for this procedure will be sent by mail from the municipality to you.

Please be sure to read the letter in the mail sent from the municipality.

After carefully reading the letter, fill out the application form and submit it by mail.

If you do not understand the contents of the letter from the municipality, please inquire the municipal office.

For details of the system, see the URL below.
